We are shipping the sample this afternoon so should get to you tomorrow morning. Since holiday weekend, just wondering if you will have qualitative before or will be next week? Thanks.

Jhana:

If any chemistry questions arise that need an immediate answer if/when sampling might occur on Sunday, we wanted you to have the ability to contact Theresa Morris. Her cell# is 303 929 4767.

In the mean time, I'll look forward to hearing from you if yall decide to sample and send material to NEIC for analysis.

Have a great weekend!  
David
